Most of McLean County Parks experiences take place outdoors, in conditions often quite different from controlled environments and predictability of buildings and cities. Nature and weather occur on their own schedule, sometimes unexpectedly, often beyond the control of people to change them.

The undersigned, a participant in the above stated event, offered by the McLean County Department of Parks and Recreation agrees as follows:

1. I acknowledge that activities at the above stated event may require strenuous physical activity and endurance.
2. Terrain conditions, weather, and other people affect the overall activity experience. I am aware of the factors that follow:
  - The activities may take place on terrain that is ungroomed. Terrain varies greatly and may be icy, wet, or rough, depending on weather and other participants.
  - Winds, temperature, and occasional storms can affect the experience. I realize that I should take precautions and guard for weather-related conditions.
  - The activities may take place on or near Evergreen Lake, a body of water, which presents natural risks commonly associated with aquatic activities.
3. I certify to the best of my knowledge, I have no physical, mental, or emotional condition which might be aggravated by this activity, or which might in any way endanger staff or other participants.
4. I have informed the McLean County Department of Parks and Recreation of any physical, mental, or emotional condition which might affect my ability to participate in and withstand all possible activities.
5. I will obey all rules, regulations, and directives of the McLean County Department of Parks and Recreation and its representatives and will assist by informing and/or calling to the attention to any situation which might result in injury.

Thus acknowledging the rigors of all activities connected with the above stated event and the unpredictability and power of natural and weather events, and in consideration for being accepted as a participant in this program, I hereby for myself, my heirs, my executors, administrators, and assignees, do hereby release and discharge the County of McLean, Illinois, and its employees, agents, officers, Board Members, representatives, and volunteers for all claims and damages, demands, actions, whatever in any manner arising out of my participation in this above stated event and furthermore do hereby indemnify and forever hold harmless the County of McLean, Illinois, and its employees, agents, officers, Board Members, representatives and volunteers from any and all actions, claims, and demands including legal costs which hereafter arise or are instituted or recovered against the indemnified parties by me or other parties whether on account of personal injuries, suffering, death or property damage sustained by me or due to my negligent, willful and wanton, or intentional actions. Please recognize that the McLean County Department of Parks and Recreation does not carry medical accident insurance for injuries sustained in its programs. Therefore, each person registering themselves or a family member for a recreational program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the McLean County Department of Parks and Recreation responsible for the payment of medical expenses.
